■ AI Prompt Blueprint for Business Builders

This exclusive prompt pack is designed for creators, solopreneurs, and marketers who want to use ChatGPT not just to create content — but to build systems, strategies, and scalable offers. ■■

Use these prompts to plan product launches, monetize content, build automated funnels, and much more.■

1. ■ 'Create a $10K/month digital product ecosystem for a [niche] audience with 3 scalable offers.'
2. ■■ 'Act as a growth consultant. Give me a 90-day Go-To-Market strategy for an info product.'
3. ■ 'Design a lead magnet + tripwire offer funnel to attract and convert cold leads for [industry].'
4. ■■ 'Build a 6-month content calendar for [Instagram/LinkedIn] targeting [freelancers/coaches/etc].'
5. ■ 'Turn this blog post into a 5-email nurture sequence with clear CTAs and cliffhangers.'
6. ■ 'Map out 3 monetization angles for a [coaching/consulting] business targeting [X audience].'
7. ■ 'Give me 5 evergreen content ideas that establish authority in [specific niche].'
8. ■ 'Plan a 7-day product launch sequence using social proof, urgency, and storytelling prompts.'
9. ■ 'Convert a 1-hour webinar into 10 micro-content pieces optimized for LinkedIn engagement.'
10. ■ 'Act as a conversion copywriter. Rewrite this landing page to 10x signups.'

■ Use these prompts inside ChatGPT or Claude to unlock results in record time.
